## **City of Hoquiam Community Garden**

### **Rules and Regulations**

1. Gardeners may begin working in their assigned plots beginning opening day, which will be in April (weather permitting). Plots must be cleared by season end on in late October.
2. The City of Hoquiam Community Garden is an organic gardening program. The ground will be prepared for planting (cultivated and fertilized). **NO PESTICIDES ALLOWED.**
3. Use of pesticides, herbicides, insecticides and chemical fertilizers is strictly forbidden. Use of raw human or animal waste is not allowed (includes rabbit, chicken, steer, duck or other manure) due to environmental and health concerns. Any gardener found using any of these products will have their plot rights revoked.
4. Gardeners are responsible for any hand cultivating, weeding, planting, watering, litter pick up and end-of-season clean up for their plots.
5. The Community Garden is to be used for recreational gardening for growing vegetables and flowers for personal, family or group use. The garden is a not-for-profit venue – sale of garden products is prohibited. Gardening for commercial purposes (for profit) is not allowed. However, excess produce and flowers may be given to local food banks.
6. Gardeners must be considerate of neighboring plots. Plants, vines and vegetation must be contained within the boundaries of one's garden plot. Harvest only from your assigned plot. To prevent the blocking of sunlight to neighboring plots, no structure taller than 2 feet is permitted without prior Garden Committee approval.
8. No illegal plants may be grown, including any plants listed by the Washington State Weed Control Board as noxious weeds. See their web page at:  
[http://www.nwcb.wa.gov/weed\\_list/weed\\_list.htm](http://www.nwcb.wa.gov/weed_list/weed_list.htm).
9. Place all plant material in the designated compost areas. Place non-plant material in trash containers.
10. One water spigot will be supplied by the city for the entire community garden to utilize. No hoses may be used. Gardeners are required to supply their own watering can. Please make sure water is turned off when you are finished. Please report any leaks to Tracy Wood at City of Hoquiam, (360) 532-5700 ext. 240 or email [twood@cityofhoquiam.com](mailto:twood@cityofhoquiam.com).
11. If you want someone, not listed on the plot application, to work your plot or pick your vegetables when you are sick or away, give this person written permission.
12. If you witness garden theft or vandalism, please call "911" or Hoquiam Police nonemergency at (360) 533-8765. If you want to report garden theft or vandalism, please contact [americorps@cityofhoquiam.com](mailto:americorps@cityofhoquiam.com) or [twood@cityofhoquiam.com](mailto:twood@cityofhoquiam.com). Due to the open nature of the garden site, the City of Hoquiam is not responsible for the loss of garden products and/or produce.
13. Dogs, cats, and other animals are not allowed in the garden area.
14. Children in the garden area must be supervised at all times.
15. Smoking and alcohol are prohibited in the garden area. No profanity, yelling, loud music, fires, firearms, or vehicles are allowed in the garden area.
16. Gardeners who have not planted, weeded or maintained their plots or have not met all gardening guidelines, will be notified in writing and given 7 days to remedy the situation. If the issue is not resolved within the time period or a secondary breach of rules occurs, access to the gardener's plot may be terminated. No refund will be given.
17. At the end of the season, gardeners agree to return their plot to its original condition.
